MEMORANDUM FOR: Director of Central Intelligence

25X1 FROM:

Acting Legislative Counsel

MR
FBI Pack
Angola

SUBJECT:

Attendance on Your House Permanent Select
Committee on Intelligence Briefing

1. Action Requested: None; for your information only.

2. Background: Attached for your background information are the excerpts from the three sensitive documents which I have provided the Senate Select Committee on Intelligence in connection with the report they are going to vote on tomorrow. They have all passed sources and methods muster with DDO.

3. I am also attaching copies of pages of your testimony before the SSCI on 7 June where your answers to Representative Romano Mazzoli's (D., Ky.) questions could be used as a basis for arguing that you do not have enough hard evidence to persuade a foreign journalist to write an article on Cubans equipping and training the Katangans. I am sure that what you meant is that you did not have enough unclassified information. Obviously you have enough classified information to be able to persuade Congressional committees.
